

Bioscience Education Sponsor

❖ **All Georgia Bio Members & educators, employers and economic developers**

Strengthening life science education in K-12 schools and developing tomorrow's workforce are key initiatives of Georgia Bio – and having your organization associated with this initiative is a unique exposure opportunity. Through the initiative, Georgia Bio forges partnerships with the state's elementary and secondary schools, state Department of Education, technical colleges, and public and private four-year colleges and universities.

❖ **Investment: \$5,000**

❖ *Contact Maria Thacker, Marketing Director of Georgia Bio, for details – 404-920-2042 (maria.thacker@gabio.org).*

Sponsor Benefits

- **Yearlong exposure** through placement of your logo on Georgia Bio's Education & Workforce Development Web site, www.georgiabioed.org
- **Acknowledgment and accolades** at all education-related meetings held throughout the year, including those involving the Innovation Crescent
- **Additional visibility** through sponsorship of The Georgia Bio Life Science Workforce Forum (see next page)

“Georgia must have a strong coalition continuously aligning strategic strengths and turbo charging plus sustaining our life science industry. The fuel source that fires up and catalyzes those strengths is Georgia Bio's membership; this is a talent pool committed to results that matter. Period.”

*– Annie Hunt Burriss
Special Assistant to the President, Medical College of Georgia
University System of Georgia*
