

Georgia Bio Champion Sponsor

❖ **Reach: All Georgia Bio members and community leaders**

When you become a Champion Sponsor, you're recognized as a leader of Georgia's life sciences community and a major supporter of Georgia Bio's mission of sustaining and growing the life sciences industry in Georgia.

Revenues from sponsorships in Georgia Bio are used to continue and enhance the organization's programs and activities on behalf of the life sciences community in four broad areas: advocacy, education and workforce development, business development and information sharing.

❖ **Investment: Three-year commitment of \$25,000 per year.**

❖ *Contact Charles Craig, President of Georgia Bio, for details – 404-920-2043 (charles.craig@gabio.org)*

Sponsor Benefits

- **Special opportunities** to provide leadership and strategic guidance, including working with the CEOs of Georgia life science companies and leading university scientists and administrators.
- **Highest sponsors' recognition** at the annual Georgia Life Science Summit, including program recognition and other enhanced benefits such as introducing plenary session speakers, participating in the Chairman's Reception for speakers and life sciences leaders and complimentary registrations for your employees based upon your leading role in this premier Georgia Bio event.
- **Annual membership dues.**
- **Additional opportunities** to participate and serve on committees for Economic Development, Education and Workforce Development, Government Affairs and others.
- **Broad range of recognition** on the website, in printed materials and at all events throughout the year.
